When I close my eyes
Meadow flowers cross your face, mmm...
I don't know you
But I feel we are with stream, mmm...

Take my hand and I will fall apart
In a million tiny flowers
Lay with me in this sunshiny meadow
Take my hand and I will fall apart
In a million tiny flowers
Lay with me in this sunshine meadow
I will follow you tonight

Na nana, Na nana, Na nana nananana....
Uuuu uuu..... Aaaa aaaa....

My eyes are still closed
And I will not open them.
