I would love to give you everything, every tone every
tune

And I would fall if you don't stop fishing me more
You who gave me so much pleasure but too much
pressure

And it fell so sad when
You still kept asking me why

You dream of being the most so-called beautiful,
beautiful, beautiful (ooh)

Do not go out like that and make a fool of yourself, of
yourself

Na na na na na na

You dream of being the most so-called beautiful,
beautiful, beautiful (ooh)

Do not go out like that and make a fool of yourself, of
yourself

Na na na na na na

You...

You...

You...

But I would give for you anything any tone any tune

And I would fall if you don't stop loving me more
You who gave me so much pleasure but too much
pressure

And it fell so sad when

You still kept asking me why

You dream of being the most so-called beautiful,
beautiful, beautiful (ooh)

Do not go out like that and make a fool of yourself, of
yourself

You... so so beautiful, beautiful, beautiful

So be a good girl, don't go out like that and make a
fool of yourself

You... so so beautiful, beautiful, beautiful (ooh)

So be a good girl, don't go out like that and make a
fool of yourself

Na na na na na na

You...

You...

Do not go out like that and make a fool of yourself

You dream of being the most so-called beautiful,
beautiful, beautiful (ooh)

Do not go out like that and make a fool of yourself, of
yourself, of yourself

Na na

You... so so beautiful, beautiful, beautiful (ooh)

So be a good girl, don't go out like that and make a
fool of yourself

Na na na na na na
