Creepy crawlies playing in my mind
when I can't get no satisfaction.
Creepy crawlies fooling in my brain
when I don't get no full attention, full attention
Yea, yea, yea, yea, yea, yea, yea, yea, yea.

I felt so happy today
when I knew that you are coming to stay, yea yea
with a happy shiny smile
heading to McD that sell us junk food, no no.

Then I felt so bore today
when I knew that you are going away, no no
with a sad tone face
heading to the bar that sell us mugs of drinks
sell us jugs of drinks, yea, yea, yea, yea, yea.

Creepy crawlies growing in my mind
when I can't get no satisfaction.
Creepy crawlies playing in my vein
when I don't get no full attention, full attention
Yea, yea, yea, yea, yea, yea, yea, yea, yea.

I felt so happy today
when I knew that you are coming to stay, yea yea
with a happy shiny smile
heading to McD that sell us junk food, no no.

Then I felt so bore today
when I knew that you are going away, no no
with a mourn, mourn soul
heading to the bar that sell us mugs of drinks
sell us jugs of drinks, no no no no no.

Creepy crawlies blowing my mind
when I don't get no satisfaction.
Creepy crawlies stuck in my brain
when I don't get full attention
Creepy crawlies, fooling my mind
Creepy crawlies, full in my mind
full in my mind

yea, yea, yea, yea, yea, yea, yea, yea, yea.
