I had a crush
I'm crushing on you
When the fun is going on
Did she blow the smoke
Into my dream
I dreamt about heaven and hell
You were an angel
And I was the devil himself
I had a crush

Crush on you
Yes it's true
Well I had a crush
Crush on you
Yea it's true
Well I had a crush on you
No one but you

I had a crush
I'm crushing on you
O this must be heaven
I did she smile
When we sweet spoke together
And I remember
I had this dream
I was tripin with you
I'm your lucifer
And you were the goddess herself
Yes I had a crush (crush)

Crush on you
Yes it's true
Well I had a crush
Crush on you
O yea it's true
Well I had a crush
Crush on you
No one but you

O you were the goddess herself
I had a crush

Yes it's true
I had a crush
Crush on you
