You think you're missed,
Well let me tell you this,
The love I felt for you,
Has flown away....

And all you see,
What have you done to me
So all I can ask is why, why, why,
You made us feel like one,
I should have known you were wrong,

Oh yeah, you did on your own,
Now you got to go,
Oh no, I won't let you get me down,
You tried to hurt my feelings,
You stopped me dreaming,
But here I draw the line,
I wish you luck in life and goodbye...

Oh yeah, you did on your own
Now you got to go,
Oh no, I won't let you get me down,
You tried to hurt my feelings,
You stopped me dreaming,
But here I drew the line,
I wish you luck in life and goodbye.
