Ohhh.... Ohhhh...

I'm driving home
A-A-A-All alone
A-A-And the streets are empty
There's no one except me

Turn the radio on
There ain't nothing on
Nothing to distract me
It's my thoughts of technique

'Cause when I'm alone
All the truth comes out
Even though I thought
I buried it all deep deep down

I guess it was only
A shadow of grey
'Cause the quieter it is,
the more they escape

Awake the skeletons, my skeletons
It's like the walking dead up in my head, up in my.. oh-
oh
Awake the skeletons, oh my skeletons!
It's like the walking dead up in my head, up in my.. oh-
oh

Don't open or close the door,
That's what all the locks are for.

Keep out. Keep out. Keep out. Keep out. Keep out. Keep
out.

When I get sad
I-I-I-I distract
My-My-Myself from thinking
That my world is sinking

Because all of my wounds
I will feel them soon

So I never face it
I try to erase it

But when I'm alone
Yeah the truth comes out
Yeah the quieter it is,
The more I break down

That's why I'm always
Around
So much company
What I get company - Now!

Awake the skeletons, my skeletons
It's like the walking dead up in my head, up in my.. oh-
oh
Awake the skeletons, oh my skeletons!
It's like the walking dead up in my head, up in my.. oh-
oh

Don't open or close the door,
That's what all the locks are for.

Keep out. Keep out. Keep out. Keep out. Keep out. Keep
out.

So here I sit
Alone with my thoughts
Forced to remember
What I forgot

No one to call
My mistakes
And me
Or the only ones awake - away - Away!

Awake the skeletons, my skeletons
It's like the walking dead up in my head, up in my.. oh-
oh
Awake the skeletons, oh my skeletons!
It's like the walking dead up in my head, up in my.. oh-
oh

Don't open or close the door,
That's what all the locks are for.

Keep out. Keep out. Keep out. Keep out. Keep out. Keep
out.

Don't open or close the door,
That's what all the locks are for.

Keep out. Keep out. Keep out. Keep out. Keep away from
my skeletons.
