I only knew you for a while

I never saw your smile

'Til it was time to go

Time to go away (time to go away)

Sometimes its hard to recognise

Love comes as a surprise

And its too late

Its just too late to stay

Too late to stay  
Well always be together

However far it seems

(Love never ends)

Well always be together

Together in Electric Dreams  
Because the friendship that you gave

Has taught me to be brave

No matter where I go Ill never find a better prize

(Find a better prize)

Though youre miles and miles away

I see you every day I dont have to try  
I just close my eyes I close my eyes  
Well always be together

However far it seems

(Love never ends)

We'll always be together

Together in Electric Dreams

[Guitar Solo]

We'll always be together

However far it seems

(Love never ends)

We'll always be together

Together in Electric Dreams

We'll always be together

However far it seems

(Love never ends)

We'll always be together

Together in Electric Dreams
