Can't you see it? Can't you hear it?
It's everywhere, it's Christmas
Sidewalk Santa, children with dreams
Asking him, please, it's Christmas

It's Christmas, it's paintin' the town
With red and silver bells and laughter all around
With scurrying people and greetings as you near
Merry Christmas, and a Happy New Year

Hearts grow lighter, smiles get wider
It's in the air, it's Christmas
Choir's singin', church bells ringin'
Loved ones are here, it's Christmas

It's Christmas, it's paintin' the town
With red and silver bells and laughter all around
With the magical morning and children as they cheer
Merry Christmas and a Happy New Year

La la la la, la la la la
La la la la, it's Christmas
La la la la, la la la la
La la la la, it's Christmas

It's Christmas, it's paintin' the town
With red and silver bells and laughter all around
With the magical morning and children as they cheer
Merry Christmas and a Happy New Year
Merry Christmas and a Happy New Year

La la la la, la la la la
La la la la, it's Christmas
La la la la, la la la la
La la la la, it's Christmas

La la la la, la la la la
La la la la, it's Christmas
La la la la, la la la la
La la la la, it's Christmas
