King Jesus

All the armies of the world will someday gather
and they'll pass before the great reviewing stand
And they'll beat their swords and weapons into
plowshares
and the Prince of Peace shall give the last command

Chorus

When King Jesus comes to live with us again
He will show His righteous love to every man
Wars and strife will all be passed
there'll be peace on earth at last
When King Jesus comes to live with us again

Unobscured the sun will drive away the shadows
At the dawning of that great eternal day
and there'll be no sounds of crying in the ghetto
for all grief and pain and death shall pass away

Chorus

When King Jesus comes to live with us again
He will show His righteous love to every man
Wars and strife will all be passed
there'll be peace on earth at last
When King Jesus comes to live with us again

Repeat Chorus

When King Jesus comes to live with us again
He will show His righteous love to every man
Wars and strife will all be passed
there'll be peace on earth at last
When King Jesus comes to live with us again

Repeat Chorus - fading

When King Jesus comes to live with us again
He will show His righteous love to every man
Wars and strife will all be passed
there'll be peace on earth at last
When King Jesus comes to live with us again
