It'll lead you on, it'll run you off
Hurt twice as long when you're double-crossed
It's hard to trust, this crazy love

It's a breaking heart at the bitter end
Bouncing back just to fall again
It's winning big a losing touch

Oh, this crazy love
Oh, this crazy love

It gives and it takes when it's strong
Nothing takes its place when it's gone
First it's good news and then it's goodbye
But the good is worth the tears that you cry

It'll fly you high, it'll shoot you down
Toss you hard in the lost and found
It pays love, this crazy love

It's a game of hearts, jokers wild
Come on look or a tender smile
Raise your hand or call your bluff

Oh, this crazy love
Oh, this crazy love

It'll lead you on, it'll run you off
Hurt twice as long when you're double-crossed
It's hard to trust, this crazy love

It's a breaking heart at the bitter end
Bouncing back just to fall again
It's winning big, a losing touch

Oh, this crazy love
Oh, this crazy love
Oh, this crazy love
Oh, this crazy love

Oh, this crazy love
Oh, this crazy love
