Neverland

V1)

I wanna let you, you know how i feel
I wanna let you, you know that it's real

Pre)

There is a place I know, a place where we can go
It's full of love and hope and I don't want to let it go

Chorus)

I wanna fly back home to Neverland to Neverland
I wanna fly home to Neverland, Neverland where it all
began

V2)

There is a place in time that allows you to see
It takes me over and under and I know who to be
Take a leap of faith, then you'll remember to fly,
trusting Tink will lead the way
It's the inner child, the magic of life, when you just
believe.

Pre)

Chorus)

Bridge)

Flyin' home to Neverland
Fly so free in Neverland
Soaring high in Neverland
I wont come back from Neverland

Chorus)
