Listen here, this will only be  
A small portion of your night time  
That you'll sacrifice for me

I asked and you were born  
And like the wind, you snuck up on me  
Got me begging for your storm

52-50 more days  
Till I might come back from war  
I'm gonna lock you up and love you down  
I can't take this anymore

Nights are old, but I am young  
Across the sea, writing letters home  
Answer me, let me hear your voice  
I can't take this anymore

I don't know where you've gone  
There's so much more, so much more  
So much more you need to know

Take it slow now, smooth running  
Live the day cool, smooth running  
Show me strength, true loving  
Trust me, girl, true loving

Listen here, this might only be  
A small portion of your lifetime  
It's given right back me

I asked and you were born  
Like the snow, you fall upon me  
Got me begging for some more

52-50 more days  
Till I might come back from war  
I'm gonna love you up and then I'll love you down  
I'd cross the world just to hear your sound

And I don't know where you've gone  
There's so much more, so much more

So much more you need to know

Live the day cool, smooth running  
Live your life cool, smooth running  
Show me strength, true loving  
Trust me, girl, true loving

Reign on love  
Reign on love  
Reign on love  
Reign on love  
Reign

Come on down, come on down  
Reign on, reign on  
Come on down, come on down  
Reign on, bring it down on me

Yeah, yeah, yeah, yeah  
Come on, yeah, bring it down  
Come on, come on  
Bring it right down [Incomprehensible]

As I sit here right  
Talk to me in my dreams  
I'm sleeping, come back to me
