I dont want to be a movie star.
I dont want to have my 15 minutes,
wasting paper in a magazine. Like everyone, everyone,
everyone.

I dont want to be a politician.
I dont want to be a talking man,
always eager for the next election. Like everyone,
everyone, everyone.....

All sides then they say, whats next? I wont ask for
forgiveness.
From all sides then they say, whats next? I wont ask for
forgiveness....

I dont want to be a social problem,
in the shadow of the next big thing.
Wrong look, wrong clothes , wrong time, like everyone,
everyone, everyone.
I dont want to be no, role model.
I dont want to be the talking man.
I just want to live my life like everyone, everyone,
everyone....

From all sides then they say, whats next? I wont ask for
forgiveness.
From all sides then they say, whats next? I wont ask for
forgiveness.
From all sides then they say, whats next? I wont ask for
forgiveness.
From all sides then they say, whats next? I wont ask for
forgiveness.....

All the pretty things will come to pass,
all the pretty things will come to pass,
all the empty fools they just wont last, they wont last.....

From all sides then they say, whats next? I wont ask for
forgiveness.
From all sides then they say, whats next? I wont ask for
forgiveness.
From all sides then they say, whats next? I wont ask for

forgiveness.

From all sides then they say, whats next? I wont ask for forgiveness...

Dont want to be a movie star,
dont want to be a politician. i just want to live my life
like everyone....

From all sides then they say, whats next? I wont ask for forgiveness.

From all sides then they say, whats next? I wont ask for forgiveness.

From all sides then they say, whats next? I wont ask for forgiveness.

From all sides say, whats next. Everyone.....
