

## O.A.R. "Fool In The Rain"

Visit "[Fool In The Rain](#)" on MotoLyrics.com

Oh, baby  
Well there's a light in your eye that keeps shining  
Like a star that can't wait for a night  
I hate to think I've been blinded baby  
Why can't I see you tonight  
And the warmth of your smile starts a-burnin'  
And the thrill of your touch gives me fright  
And I'm shaking so much, really yearning  
Why don't you show up, make it all right, yeah, it's all  
right, all right  
And if you promised you'd love so completely  
And you said you would always be true  
You swore that you would never leave me, baby  
What ever happened to you  
And you thought it was only in movies  
As you wish all your dreams would come true, hey  
It ain't the first time believe me, baby  
I'm standin' here feeling blue, blue  
Ha, yeah, I'm blue, hoh, baby  
Now I will stand in the rain on the corner  
I'll watch the people go shuffling downtown  
Another ten minutes no longer  
And then I'm turning around, 'round  
The clock on the wall's moving slower  
Oh, my heart it sinks to the ground  
And the storm that I thought would blow over  
Clouds the light of the love that I found, found  
Light of the love that I found  
Light of the love that I found  
Ohhhh, that I found  
Hey babe  
Ooh, hand that ticks on the clock  
Just don't seem to stop  
When I'm thinking it over  
Ooh, tired of the light  
I just don't seem to find  
Have you wait, get away  
Whoa ooh, I see it in my dreams  
But I just don't seem to be with you  
You I gotta get it all  
Gotta get it all, gotta get it all  
I've got to get all

(Guitar Solo)

Ooh, now my body is starting to quiver  
And the palms of my hands getting wet, ohh  
I've got no reason to doubt you baby  
It's all a terrible mess  
An' I'll run in the rain till I'm breathless  
When I'm breathless I'll run till I drop, hey  
The thoughts of a fool's kind of careless  
I'm just a fool waiting on the wrong block, ohhhhhh  
yeah  
Hey now, ohhhhhh-hoh  
Light of the love that I found  
Light of the love that I found  
Light of the love that I  
Light of the love that I found  
Light of the love, hey now  
Light of the love, hey now  
Light of the love that I found  
Light of the love that I found
