Well there was a time when life caught you by surprise  
What you see going by is a shadow  
You've got to live in front of your eyes  
In a typical way we stray, checking back with the past  
In a typical day I'll stay to see what's gonna last

But I didn't mind at all  
I didn't mind at all  
No, I don't mind at all  
I didn't mind at all

Well there was a place we'd chase  
Through the woods in my juvenile days  
What a typical waste of space  
What a wonderful place to stay

And I could have died  
But I just left my soul to fly  
And I could have chilled at will  
But I didn't know how to die

I don't mind at all  
I didn't mind at all  
No, I don't mind at all  
Don't mind at all

No, I don't mind at all  
I don't mind at all  
No, I don't really care  
That much anymore, no

I've been woken, and I have been broken  
But this time it's gonna change for  
I've been lazy, and I've been crazy  
But this time it's not hazy at all

'Cause I've been, I've been chosen  
My heart has been stolen  
But from this day on I swear to ya'll true  
From this day on I swear to you

Well there was a time when I could have flown out of

the room

Yet I don't care just where I was going afternoon  
Yeah I didn't know so I chose to live my life so fair  
I could have died, but I chose to live here instead

I don't mind at all  
I didn't mind at all  
No, I don't mind at all  
Don't mind at all

No, I don't mind at all  
I don't mind at all  
No, I don't really care  
That much anymore, no

I've been woken, and I have been broken  
But this time it's gonna change for  
I've been lazy, and I've been crazy  
But this time it's not hazy at all

'Cause I've been, I've been chosen  
My heart has been stolen  
But from this day on I swear to ya'll true  
From this day on I swear to you true

I say now way back when you and all your friends  
You had some good time, "We should do this again",  
we'd say  
Well, hey, hey "We should do this again", we'd say

But in the mean meanwhile, I'll just walk the mile  
I won't look back won't forget your smile  
Oh no, no, no, "We should do this again", we'd say

But I swear to you true  
From this day on swear to you true, God, I'll do

No, I won't give you back, won't give you back  
No, no, I won't give you back 'cause I know where you  
come from  
And I'm never gonna hurt you 'cause I know you've  
been hurt before

And I'll never give you back, no, I won't give you back  
Won't give you back, no, no  
Said, "I can't give you back, no, no"  
Said, "I won't give you back, no, no"

Said, "I can't give you back, no, no"  
I swear to you true, from this day on  
I swear to you true, oh God, I do
