I took this girl out last night and we left around 12,
We walked around lonely streets and got to know
ourselves,
I like to read - she likes to write, she likes to sleep -
And I like to stay up all night,
My friends say I'm crazy and I agree,
But that's okay cause that the way she likes to be
Say Hey Girl, come with me and let yourself go,
Say Hey Girl come with me
And let yourself go, go, oh, let yourself go
Well we went out late that night and we danced through
the night
Well I was holding on to her and she was gripping me
tight,
But I didn't care, she didn't mind,
I was unaware that she liked to act so kind,
My friends say she's crazy and I agree,
But that's okay cause that's the way I like to be
Say Hey Girl, come with me and let yourself go,
Say Hey Girl come with me
And let yourself go, go, oh, say now let yourself go
Later on that night I took her home,
I asked if she felt alright being alone,
So I went inside, she didn't mind,
It took two to decide that I wasn't going home tonight
I see we were both crazy, that's alright with me,
The night was kind of hazy that's the way it's gonna be
Say Hey Girl, come with me and let yourself go,
Hey Girl come with me
And let yourself go, go, go, say now let yourself
Go, go, oh, say now let yourself go, go, oh,
Let yourself go
