Well there's a light in your eye that keeps shinin',
Like a star that can't wait for night
I hate to think I been blinded baby
Why can't I see you tonight?
And the warmth of your smile starts a burnin'
And the thrill of your touch give me fright
I'm shakin' so much, really yearnin'
Why don't you show up and make it alright
Yeah, it's alright

And if you promised you'd love so completely
And you said you would always be true,
You swore that you never would leave me baby
Whatever happened to you?
And you thought it was only in movies
And you wish all your dreams would come true, hey
It ain't the first time believe me baby,
I'm standin' here feelin' blue
Yes I'm blue

Now I will stand in the rain on the corner,
I watch the people go shufflin' downtown
Another ten minutes no longer
And then I'm turnin' around 'round
And the clock on the wall's movin' slower,
Oh my heart, it sinks to the ground
And the storm that I'm sure would blow over
Clouds the light of the love that I found

Light of the love that I found
Light of the love that I found
Love that I found

Oooh, oooh
Hey Mr. Rain, come pour it down on me some more
Hey Mr. Rain, come pour it down on me some more
Got to get home, I got to get home
Got to get home, got to get home, got to get home

Ooh now my body is starting to quiver
And the palms of my hands gettin' wet

I got no reason to doubt you baby
It's all a terrible mess
But I'll run in the rain 'til I'm breathless
When I'm breathless I'll run 'til I drop, hey!
The fool's kinda careless,
I'm just a fool waitin' on the wrong block
Yeahh, yeahh, oh

Light of the love that I found
Light of the love that I found
Light of the love that I found
Light of the love that I
Light of the love that I found
Light of the love that I found
Yeahh
