(Chorus)
Lay down
Rest here in my arm now
Lay down
Lay down
Rest here in my arm now
Lay down. Lay down. Lay down. Lay down tonight.
I've never seen a body move the way you do
I gotta lot more time baby just for you
I bought a house and a yard and we'll get it home
And then we'll get it down
I'm gonna love you up and i'll love you down
I'm gonna spend my time baby on your crown
You gotta let it be, you gotta love it and take it all
(Chorus)
Lay down
Rest here in my arm now
Lay down
Lay down
Rest here in my arm now
Lay down. Lay down. Lay down. Lay down tonight.
I'm gonna fly away to a world of heart
I got a lot more days just for me and you
I'm gonna love you baby all of my life too
And you can bet on that
If you will take me then i'll take you down
And we can, we can spend the night all around
And I will pull back the sheets and lay you down
And we can love all night
(Chorus)
Lay down
Rest here in my arm now
Lay down
Lay down
Rest here in my arm now
Lay down. Lay down. Lay down. Lay down tonight.
Tonight
Well let me hear you girl if you love the love
I'm gonna live my life like I ain't gonna blow
Gonna lay down with you and be alone all the day
I bought a house and a corner store
And we can have one drink maybe three or four

And we can love this life together
And we'll fly away
(Chorus)
Lay down
Rest here in my arm now
Lay down
Lay down
Rest here in my arm now
Lay down. Lay down. Lay down. Lay down tonight.
Tonight
My life girl, it's all for you
I bought a planet, we'll live in us two
And we can fly on, to outer space
Will you join me my love, join me
Promise, cause i love you
And live me, cause i breathe for you
And trust me, and I trust you
Just lay down, all for you
(Ohhhhhhh, Ohhhhhhh)
It's all for you
