You got nothing to do
And got no job
And got no one to lose.. yeah
And i got to find bob
Sometimes this life I might sail away
It's kinda weird how shit goes down
It's kind of funky..yeah, moving around
Sometimes this life i might sail away
Might sail away, might sail away, might sail away
Might sail away, yeah la ti da might sail away
Hey aa ah lalala
People just need to wonder why
All the birds up in that great old big blue sky
And then they just got to go and say
You know they got to, they got to,
They got to, they got to, they got to Sail Away
Might sail away, might sail away, might sail away,
Might sail away, hahaha might sail away
Got something to do
I got a job
Still got no one to lose..again
Still got to find bob
Sometimes this life i might sail away
Might sail away, might sail away, might sail away,
Might sail away, yeah aa la ti da I might sail away
Sometimes this life I might sail away,
Might sail away, might sail away, ah hey yeah,
Lala might sail away
