take me back
take me back
where I stand
take me back

my baby boy
has been on fire
got lost in soul
he's lost his mind

so take him back
from where he stands
yeah take him back
into your hands

my old old man
won't act his age
he's lost at sea
come back home

so take him back
where he stands
take him back
to your hands

baby it's been such a long time
since you've been around
and you won't respond to me lately
so keep me around

I'm just a baby boy
with a heart of gold
they told me once
that I'll never grow old

so take me back
from where I stand
I'm a baby boy
I'm in your hands

it's been such a long day coming

since you've been around
I'm broken and battered here now
so keep me around

take me back
take me back
