Ohh my, 20 throw down in my best bridge  
And the man to my left has folded down  
Well, Johnny doubled up with a royal flush  
I had three jacks and a pair of nines

My mind is turning, just two shots more  
There's not much left to play  
Well then dude walks in, black hat on top  
What am I, if I'm lucky  
Wasn't a county cop 'cause I'm just runnin' out of time

Who's up for game two?  
What to do, my wallet's gettin' thin  
And I just lost my watch last night  
Well I gotta problem, just one answer  
Gotta throw it all down and kiss it goodbye  
Yeah

That was a crazy game of poker  
(That was a crazy game of poker)  
I lost it all  
(I lost it all)  
But someday I'll be back again  
And I never to fold  
(Never to fold)

Who's up for game three  
I can barely see the bourbon drowning next to me  
And I just lost it all  
Well, there's a man sittin' next to me

Red, was smiling  
'Cause it's funny  
I don't have no money tonight  
Yeah

That was a crazy game of poker  
(That was a crazy game of poker)  
I lost it all  
(I lost it all)  
But someday I'll be back again  
And I, never to fold

(Never to fold)

Bop bop bop  
I say now skittleedat dat  
Well how bout that?  
I'm coming out the front  
Never coming out the back

And I walked into the bar yesterday  
'Cause I had something to do, something to say  
And Johnny walked in right behind me  
And I didn't turn around

Till I heard the sound of his feet  
Falling on the ground  
I looked over my shoulder and I saw a clown  
And I said, "Whatcha doin' in the bar tonight?"

So I said, "Johnny whatcha doing tonight?"  
He looked at me with a face full of fright  
And I said, "How 'bout a revolution?"  
And he said, "Right"

I say of, you say a  
I say revolution, and you say die  
I say of, you say a  
I say revolution, and you say die dah dah  
Day day oh

And I said, "What'cha looking at?"  
He hit me across the face with a bat  
I grabbed my .45 and I said  
"Let's get out and go"

So he opened the door and said  
"Do what you're here for"  
I said, "I'm wandering round the road, four to four"  
And I said, "I been walking for about a thousand years"

And my feet are growing tired  
My eyes a little wired  
Don't know what to do unless I retire  
And he just said, "Let's play some crazy poker"

So I said, "Johnny, whatcha doing tonight?"  
He looked at me with a face full of fright  
And I said, "How 'bout a revolution?"  
And he said, "Right"

I say of, you say a  
I say revolution, and you say die

I say of, you say a  
I say revolution, and you say die dah dah  
Day day oh

I said that was the craziest game of poker  
That I ever saw  
I said that was the craziest game of poker  
That I ever saw

But I'm not gonna quit and I'm not gonna stop  
Don't give a shit 'cause I got the drop  
Johnny just got two eyes just like mine  
And I'm feeling kinda funky, kinda fine

And I drank a bottle of whiskey 'fore I came  
Came to the bar to see what's the same  
I saw my man named Johnny  
Sittin' across the table from me

And to my left was a man, he had no chin  
Didn't really think about starting a scene  
The man to my right wasn't feeling kinda nice  
He looked kinda mad and I felt bad

Because I took his money last night it's kinda funny  
But now I'm just struggling, I need a honey-bunny  
I don't know what to say anymore  
So I'm just gonna go out, anywho

So I said, "Johnny, whatcha doing tonight?"  
He looked at me with a face full of fright  
And I said, "How 'bout a revolution?"  
And he said, "Right"

I say of, you say a  
I say revolution, and you say die  
I say of, you say a  
I say revolution, and you say die

I say of, you say a  
I say revolution, and you say die  
I say of, you say a  
I say revolution, and you say die dah dah  
Day day oh
