Listen here, this will only be
A small portion of your lifetime
That you'll sacrifice for me
I asked and you were born
And like the wind you snuck up on me
Got me begging for your storm

Fifty-two fifty more days until I come back from war
I'm gonna lock you up and love you down
I can't take this anymore
Nights are old, but I am young
Across the sea writing letters home
Answer me, let me hear your voice
I can't take it anymore

And I don't know were you've gone
There's so much more you need to know

Take it slow now
Smooth running
Live the day cool
Smooth running
Show me strength
True loving
And trust me girl
True loving

Listen here, this will only be
A small portion of your lifetime
That you'll sacrifice for me
I asked and your were born
Like the snow you fall upon me
Got me begging for some more

Fifty-two fifty more days until I come back from war
I'm gonna love you up
And love you down
I'd cross the world just to
Hear your sound

Reign on love
Reign on love

Reign on love
Rain!
