My twenty thrown down in my fist of rage
And the man to my left just folded down
Johnny doubled up with a Royal Flush
I had three jacks and a pair of nines
My mind is turning just two shots more
There's not much left to play
Then dude walks in Black hat on top, what a mop
I'm lucky it wasn't a county cop, cause I'm just running
out of time

Who's up for game two, what to do?
My wallets getting thin and I just lost my watch last
night
I got a problem, just one answer got to throw it all down
And kiss it goodbye

That was a crazy game of poker
I lost it all
But someday I'll be back again
And I'm never to fall
Never to fall

Who's up for game three?
I can barely see the bourbon drowning next to me
And I just lost it all
Well there's a man sitting next to me
Red with smiling eyes
It's funny I don't have no money tonight.

That was a crazy game of poker
I lost it all
But someday I'll be back again
And I'm never to fall
Never to fall

Bada biba... ..
I say now skitili dat dat dat well how bout that
I'm coming out the front never coming out the back
I walked into the bar yesterday
Cause I had something to do, something to say
And Johnny walked in right behind me and
I didn't turn around

Until I hear the sound of his feet falling
On the ground, looked over my shoulder
And I saw a clown
And I said what are you doing in the bar tonight?
And I said Johnny whatcha doing tonight?
He looked at me with a face full of fright
And I said how about a revolution?
And he said , right.

I say of, you say a, I say revolution, and you say Jah 2x

And I said what are you looking at?
He hit me across the face with a bat.
I grabbed my .45 and I said let's get out and go
Well so he opened the door, and said "now, whatcha
here for?"
I said I'm wanderin' down the road 44
And I said I've been walking for about a thousand years
And my feet are growing tired
My eyes a little wired
Don't know what to do unless I retire
And he just said let's play some crazy poker
And I said Johnny whatcha doing tonight?
He looked at me with a face full of fright
And I said how about a revolution?
And he said right.

I said that was the craziest game of poker that I ever
saw
I said that was the craziest game of poker that I ever
saw
But Im not gonna quit and I'm not gonna stop
I don't give a shit cause I got the drop
Johnny just got two eyes just like mine
And I'm feeling kind of funky, kinda fine
Cause I drank a bottle of whiskey before I came
Came to the bar to see what's the same
I saw my man named Johnny sitting across the table
from
And to my left was a man he had no gin
He didn't even think about starting to sin
The man to my right, wasn't feeling very nice
He looked kinda mad and I felt bad
Because I took his money last night
Now I'm just struggling
I need a honey bunny
I don't know what to say anymore
So Im just going to go out the front door.
