There are few things pure in this world anymore, and  
home is one of the few  
We'd have a drink outside maybe run and hide, if we  
saw a couple men in blue  
But to me it's so damn easy to see that your people are  
the people at home  
Well I been away but now I'm back today and there ain't  
a place I'd rather go

I feel home when I see the faces that remember my  
own  
I feel home when I'm chillin outside with the people I  
know  
I feel home, and that's just what I feel  
Cause home, to me, is reality and all I need is  
something real

We're feeling alright headin out tonight maybe off to a  
dark driveway  
I say now, some feel bored, and some are looking for  
more, but we all just decide to stay  
We got nothing to do, but when I look at you I see  
something that I know and love  
And with the crack of a smile we all stay awhile, we  
know from home their ain't nothin above  
Well in the end, we can all call a friend, well that's  
something that I know as true  
In a thousand years, and a thousand tears, I'll come  
finding my original crew  
Cause to me throughout eternity there is somewhere  
we are welcome to go  
I said it's something free that means a lot to me, when  
I'm with my friends I feel home

I feel home when I see the faces that remember my  
own  
I feel home when I'm chillin outside with the people I  
know  
I feel home, and that's just what I feel  
Cause home, to me, is reality and all I need is  
something real  
Home to me is reality and all I need is something real, I

feel home
