I pray
To the god of war
To stop this storm
Of raining blood
To end this war
Keep you away
From the demon's thorns

This is a nightmare
And we can't wake up
Now it's too late
We can't give up
Let's fight to send
These demons back on the GhOSTLAND!

WARR!(Waaaaaar)
This is WAAAR(This is waaaaaaar)
Come/Stay and become demon ripper/hunter

You'll see the death
I see the sooth
Lies are still flying
From your mouth

I see the words
Like bullets fly
One for the heart
One for the eye

My gun is aiming to the head
The knife is heading to the chest
Soon You will be so fucking dead
Soon you will rest in PEAAACEEE!!

You'll Rest in PEAAACEE! x3

I pray
To the god of war
To stop this storm
Of raining blood
To end this war
Keep you away

From the demon's thorns

This is a nightmare
And we can't wake up
Now it's too late
We can't give up
Let's fight to send
These demons back on the GhOSTLAND!

WARR!(Waaaaar)
This is WAAAR(This is waaaaaaar)
Come/Stay and become demon ripper/hunter
