Verse 1:

Tryin to capture my heart, yea you workin
Smooth talker right from the start, yea you workin
Been there and done that before
Baby show me something more
That I been missin
Your sweet addiction

Everything that I got I know that you, you want it
Everything that you got you know that I, I like it
But you better be careful boy
I ain't like your normal toys
No no no, baby I told ya

Chorus:

I am not your average shawty
Before you come on to me
Know that I work like a boss
And that I give it my all
Some are intimidated
But they just ain't for me
Baby I told ya, I-I-I-I told ya
Na na na na na eh eh, na na na na na eh eh x4

Verse 2:

Using your game to claim me, yea you workin
Thinkin it comes that easy, yea you workin
Yawning cause I'm not impressed
What says you're not like the rest
You stay persistent
But you don't listen

Everything that I got I know that you, you want it
Everything that you got you know that I, I like it
But you better be careful boy
I ain't like your normal toys
No no no, baby I told ya

Chorus:

I am not your average shawty
Before you come on to me
Know that I work like a boss

And that I give it my all
Some are intimidated
But they just ain't for me
Baby I told ya, I-I-I-I told ya
Na na na na na eh eh, na na na na na eh eh x4

Bridge (Instrumental)

Chorus:
I am not your average shawty
Before you come on to me
Know that I work like a boss
And that I give it my all
Some are intimidated
But they just ain't for me
