oh written in the stars  
a million miles away  
a message to the main  
ooooh  
seasons come and go  
but I will never change  
and I'm on my way

Is it the sounds of an angels  
written by saviours  
a mixture of hate and  
all it's grace

Is it the color of Glory  
and suffering souls  
that take you away

Is it the top of the mountain or  
the feeling you found it  
that really floods

Is that the perfect relational ship  
something in place of it  
that keeps it going

oh written in the stars  
a million miles away  
a message to the main  
ooooh  
seasons come and go  
but I will never change  
and I'm on my way

Is it the top of the mountain or  
the feeling you found it  
that really floods

Is that the perfect relationship  
something in place of it  
that keeps it going

Written in the Stars

Written in the Stars (Yeah)...

oh written in the stars  
a million miles away  
a message to the main  
ooooh  
seasons come and go  
but I will never change  
and I'm on my way
