ooo-oh, ooo-oh, ooo-oh, ooo-oh
â€˜ooo-oh, ooo-oh, ooo-oh, ooo-oh

call me silly but I
â€˜donâ€™t feel like i need to wait on, you just to say
youâ€™re interested.
â€˜Cause you know that I like you boyâ€™
Cause I canâ€™t stop starring
â€˜And I canâ€™t keep holding this feeling in

(Pre-chorus)
â€˜Boy meets girl, thatâ€™s so clichéâ€™
now someone please tell me does it really have to be
that way
â€˜Girl meets boy, now i like that way
â€˜nah, i donâ€™t mind â€˜cause either way, you gon'
be mine so

(Chorus)
â€˜lemme lemme lemme go first (i donâ€™t mind)
â€˜lemme lemme lemme go first (i donâ€™t mind)
â€˜lâ€™ll speak up, when it comes to loveâ€™
lemme lemme lemme go first (i donâ€™t mind)
â€˜lemme lemme lemmeï»¿ go first (i donâ€™t mind)
â€˜when it comes toï»¿ love, lâ€™ll speak up

youâ€™re on my mind all the timeâ€™
sometimes it makes me go crazy, i hope itâ€™s okay if
ï»¿ made you my baby
â€˜cause i know that you like me boy
â€˜when lâ€™m around you canâ€™t stop smiling
â€˜time is so short to be waitin' on a boy now a day,
yeah

(Pre-chorus)
â€˜Boy meets girl, thatâ€™s so cliché
â€˜now someone please tell me does it really have to
be that wayâ€™
Girl meets boy, now i like that wayâ€™
nah, i donâ€™t mind â€˜cause either way, you gon' be
mine so

(Chorus)

lemme lemme lemme go first (i donâ€™t mind)
â€™lemme lemme lemme go first (i donâ€™t mind)
â€™lâ€™ ll speak up, when it comes to love
â€™lemme lemme lemme go first (i donâ€™t mind)
â€™lemme lemme lemmeï»¿ go first (i donâ€™t mind)
â€™when it comes toï»¿ love, lâ€™ ll speak up

you donâ€™t have to speak first (nooo)

lemme go lemme go lemme go
lemme go lemme go lemme go, i donâ€™t mind, i
donâ€™t mind
lemme go lemme go lemme go

(Chorus)

â€™lemme lemme lemme go first (i donâ€™t mind)
â€™lemme lemme lemme go first (i donâ€™t mind)
â€™lâ€™ ll speak up, when it comes to love
â€™lemme lemme lemme go first (i donâ€™t mind)
