Who do I turn to when things are broken?
Where do I go when I'm feeling alone?
Who's always there with arms wide open, it's you.
Yeah, it's you.

Where do I hide when it's dark and stormy?
Where do I run when it's all too much?
Who gives me hope when I wake each morning, it's
you.
Yeah, it's you.

You were there for me in my darkest days,
You cared for me when I lost my way,
My guiding light, you always pulled me through,
I believe in you.

Yeah yeah.

When I stumble and fall, you take my hand.
When I don't have a clue, you know what to do.
When nothing makes sense, you help me to
understand.
It's true.

It seems like forever, it's been you and me.
I know who you really are.
Sometimes I wonder where would I be without you?

Yeah yeah.

You were there for me in my darkest days,
You cared for me when I lost my way,
My guiding light, you always pulled me through,
Yeah, you gave me strength when I was weak,
You were my voice when I could not speak,
One ray of hope that I could hold onto,
Yeah, I believe in you.

Yeah, I believe in you.

You were there for me in my darkest days,
You cared for me when I lost my way,

My guiding light, you always pulled me through,
Yeah, you gave me strength when I was weak,
You were my voice when I could not speak,
One ray of hope that I could hold onto,
Yeah, I believe in you.

You were there for me in my darkest days,
You cared for me when I lost my way,
My guiding light, you always pulled me through,
Yeah, I believe in you.

Yeah, I believe in you.
