Electricity  
First time we meet  
Hundred degrees  
I like the heat  
The problem is  
I been told things  
Stay away from him  
But he draws me in  
Lost my sanity  
He posses me  
Underneath my skin  
Iâ€™m still feelinâ€™ him  
Should I take the risk  
Is it worth it  
Like an animal  
Let him cage me in

Whether he transforms, Iâ€™ll weather the storm X2

(Chorus)  
When you strike my  
My sky like that  
Got me screaming out  
Like thunder  
When you strike me  
Like lighting  
Boy Iâ€™m likinâ€™ it  
Take me under

Shock therapy  
Heâ€™s giving me  
Got the fever now  
Thereâ€™s no remedy  
Iâ€™ve gone insane  
I like the pain  
Sweat dripping down  
Like summer rain

Creeping in the night  
Ya I hope he bites  
Touch of his skin  
Got me shivering

Unpredictable  
But I let him in  
So dangerous  
This is fatal lust

Whether he transforms, Iâ€™ll weather the storm X2

(Chorus)

(Bridge)  
Heâ€™s a force of nature  
Heâ€™s a killa  
My hearts in danger  
Heâ€™s a killa  
X2

(Chorus)

Heâ€™s a killa X2
