(Chorus)

You my soul trigga
Got my whole figure
Lost in the rhythm
Of your heart
You my soul trigga
Flow tight as Jigga
Locked in the rhythm
Of your heart

You pulled the trigga to my soul
So I promise I won't let you go
You shot the blood through my veins
You make me go so insane
Your eyes are to blame
For these emotions to rain

If the rhythms my body
You be the melody
Lets make a harmony now
Play my body like a piano
You know how to
Make me hit the high notes loud

(Chorus)

Before you saw in black and white
Now I see the colors of life
Gave up on chivalry
You put belief back in me
On you I can lean
You're the one that I fean

If the rhythms my body
You be the melody
Lets make a harmony now
Dis man's a killa
And I don't know whether to
Take it or just scream out loud

(Chorus)

You ah criminal
Dem fi lock you up
Teef me heart
Aim and shot it up
Got it skippin' a beat like
(Repeat)
(Chorus x4)
