Obie Trice

Yeah I then had some empty years
Lost a few peers even shed a few tears (Proof!)
For my niggas ain't here
But even from up there they whisper in a boy ear
(pppsss)
Say Obie how dare you stand clear when you the realist
nigga there
Bring fire Obidiah God admire ya (Dear God) and I'm a
servant of him from urban to Em
From Em to now what I'm deserving is slim (nah)
Like BME ain't as urgent as them
I murdered every verse you purchased back then
Nuttin rehearsed no actin
No reenactments "O" so actually
Actually it hurts tryin to bring them back to me
When you the same person that made him platinum
Plus (You) only nigga did that where he rest
Schoolcraft Ave put a hole in ya chest (Yes)
Nope I'm not Drake of course I'm not Weezy I'm riding
to K-Deezy
So why when I see where the cheese be
You don't receive me BME that's Obeezzy (BME)
Don't it get it twisted like you
Internet niggas do Shady that's my birth we'll always be
crew (always)
If we gotta take it back to Ja Rule
back to Benzin Hoe
We gone do what it do (4sho)
Bullet in my head loose screw still
My motor skills had to get another boost real
I'm living proof that a death certificate's not a definite

Unless you the nigga got my roof peeled
Watch his head play peek a boo
Thru the scope on the pica-tinny rail ...Richard Harrow
Expires ya no face
This a Broadway Empire ... BME Believe you me I wanna
crossover
The aroma of the hood take a hold of a soldier
Then it take toll and turn to a odor
When you can't get it off ya

The labels they don't want cha
But this ain't Degrassi this is where the grass be
Forty four eight in weight and that's his last
Where mama titty rotten and she wear a mask
Just to be in public or around the people she lovin
They say I'm buggin when I'm buzzin
I ain't recovered but big ups to my brotheren (Em!)
Still keep it in the cupboard bring that shit out
Need somethin I need to go bottoms upward
Bottoms upward ... bottoms upward ... bottoms upward
... bottoms upward
Nospeakerz
Yeah I do beats do streets ... BME
Yall act like I'm the only nigga that heard (young Guru)
Guru speak
Let's get this money
