(Dr. Dre)

Yeah, yo lets bring it

[Chorus](Eminem)

What you gonna do when shit hits the fan

Are you gonna stand and fight like a man

Will u be as hard as you say you are

Or you gonna run and go get your body guard I said

What you gonna do when shit hits the fan

Are you gonna stand and fight like a man

Show us you as hard as you say you are

Or you gonna run and go get your body guard

(Dr. Dre)

Niggas is so gangsta, niggas is thugs

Niggas'll spend their whole life battlin' drugs

Slangin dope and hopes of one day

Bein able to own they own label

And give the game up

Some niggas came up

And some just didn't

It's just the way it is

If it aint minute just isn't

Some niggas'll get money

And pay niggas to back em

So they can act up

Feel comfortable an rap tough

And that's ass backwards

Them niggas'll keep comin back

And that's when extortion happens

To the struggle to get free

I know how this shit be

You give anything that look legitimately

But you gonna find if you do get in this industry

That it's best to do bussiness with me then against me

Niggas get behind mics and aint even emcees

Niggas get on mtv just to diss me

This shit don't even piss me off

I'm laughing all the way to the bank

Watching you saddle life in my bentley

You niggas aint even got a car

You're so far under my radar  
I don't even know who the fuck you are  
To tell you to suck my dick while I'm pissing  
I don't even listen to ya shit  
To know who the fuck I'm dissing  
And media just feeds into these feuds  
Trying to add fuel to the fire  
This little nigga Ja Rule  
Talking about he's gonna slap me  
Nigga please you gotta jump  
And swing up to hit me in the knees  
I laugh at these magazines when they interview em  
All they doing is making fake threats to us through em  
Ya pussy ya not Pac I knew em  
Pac was a real nigga, you just a fucking insult to him  
It's too bad, we had a fall out before he passed  
Because if he could he see this shit now  
He'd be whoopin your ass  
You're talkin to a pioneer who engineered this shit  
For nineteen years who ya got in ya ear Ssssss (Suge)  
I aint even gotta say it, the fans know  
Quit trying to be tough nigga,  
You look like an asshole

[Chorus](Eminem)

What you gonna do when shit hits the fan  
Are you gonna stand and fight like a man  
Will u be as hard as you say you are  
Or you gonna run and go get your body guard I said

What you gonna do when shit hits the fan  
Are you gonna stand and fight like a man  
Show us you as hard as you say you are  
Or you gonna run and go get your body guard

(Obie Trice)

They say why don't we increase the peace  
The only piece to crease  
Is that which deletes ya peeps  
Cuz niggas run mouths but they don't want streets  
Till that 4-5 decease ya speech  
Ya it's a shame how the beef'll creep  
Coulda reached a peak  
Now ya left with a horrible leap  
I'm trying to be as bleep  
With my speech as possible  
Just incase a nigga try to throw me an obstacle  
Nigga I'm not boxing you  
I'm hospitable  
I put you in a hospital that's how I get at you  
Let the doc op on you he don't rid you

You back on them streets  
I send another hit at you  
This is not a hypocritical issue  
I will critical condition ya tissue  
Give a fuck if you bring all ten of them with you  
I throw an extra ten of them missiles  
Turn gangstas into gentleman fickle  
And ever since Eminem dissed you  
I swear I see the woman and bitch in you  
All this bickering back and forth over who signs who  
Curtis pull ya skirt up ya got murdered  
Now take it like a man and shake it off DAMN  
And quit tellin all these magazines ya plans  
How you gonna slap up my man, ya fictious  
Nigga we'll send stan to come murder ya bitches

[Chorus](Eminem)

What you gonna do when shit hits the fan  
Are you gonna stand and fight like a man  
Will u be as hard as you say you are  
Or you gonna run and go get your body guard I said

What you gonna do when shit hits the fan  
Are you gonna stand and fight like a man  
Show us you as hard as you say you are  
Or you gonna run and go get your body guard

(Obie Trice)

To back you nigga,

You fell off nigga
