If I was in love witcha, now you wanna clown

Fuck with them clowns until I pound on your crown

Bust a few rounds and the cops come and get me Bad mouth a nigga just to convince a jury You don't want it with me, you just horny as me You want a nut, nuttin' but what is you be

## [Eminem]

I'm internationally known baby but actually There are few people who know how I am naturally All you know is that I can act irrationally When you shove a puppet up in my face on national TV So they label me this crazed loony rap bully But truthfully that ain't the truth And if you believe in that shit Then you'll believe anything's true And you're too stupid to ever get to know me personally But personally that actually works for me Cuz the last thing that I need's a string attached to me I'ma bachelor bitch and I ain't in no fast fury To run out and find a new Mrs. Mathers Cuz see, technically me and Kim ain't back fully But we do still make booty calls occasionally But be damned if I end up back in that pad And we end up back at that god damn tavern And havin' another déjà vu, we seein' security Pass my pussy around like it's Ja Rule's jewelry I got news for you bitch, your news curfew's early You ain't home by 2:30 {\*gunshot\*}

[Hook - Eminem {\*singing\*}]
Hey lady, hey darlin', hey baby
I'm sorry but I can't be your boyfriend
If you toy with my motherfuckin' emotions
I'll kill you
Bitch I'm fuckin'
For real I'll make you suffer like I suffered
If you fuck me then I'll make you fall in love

{\*in the background of the hook\*}
Hey lady, hey lady
I don't think you really wanna be my girl
(be my girl, be my girl, be my girl)
Fuckin' with me can be dangerous (dangerous, dangerous)
You never know what I really (be like, be like)
(be like, be like, I'm your type)
(And might even get a little bit crazy)

## [Obie Trice]

See you lookin' at the life, you lookin' at the lights (lights)

You lookin' at the ice (ice) you ain't lookin' at the Trice (right)

You should look at some advice when I see he ain't nice (nope)

Despite the fact you think you the feisty type O love to fight (uh) I love the drama (yeah) Love when my bitch get to cussin' out Yolanda (fuck you bitch)

Find the Obie condom on the counter
Swingin' her weave, can't breathe like I can't believe
Least I ain't deceieve and try to mislead
And sell a dream just to get you on my team
I came clean to keep down the beef
Keep down my reach, you can keep all your teeth

### [Eminem]

What we do under the covers should stay between the covers

And the two of us and we ain't gotta be news coverage On the front page cover of "Buzz's New Lovers" And this is when the bitch get to showin' the true colors Cuz the truth of it, everything that I do's public And you'd love it if you could run and tell all your friends

Guess who you just screwed, assume just me and you've done it

And say that you was rubbered and show 'em the proof of it

But I guess it's do unto others as you'd have 'em do unto you

But you better be careful of who you're doin' it to
Cuz you never know when the shoe
Could end up on the other foot and it backfires on you
Cuz you think you want it then you want me, then you
get me

Then you got me and you're fucked cuz you'll be stuck with me

For the rest of your life cuz if I get attached to you We'll be joined at the hip, I'll be so latched to you You'll be walkin' out the house and I'll run up and tackle you

Chain your ass up to the bed and shackle you You don't think you're leavin' this house in that, do you? Not till I brand my name in your ass and tattoo you And have you walkin' out this bitch in turtleneck sweaters

Scarves and full leathers in 90 degree weather Front on me? Never
Cuz we gonna be together forever
Right bitch? {\*gun cock\*}

Right bitch? {\*gun cock, shot\*}
