Obie Trice]

Can we re- can we re-enact Biggie's song?

C-can you shit on me?

I just want you to shit on me

[Hook - Eminem {\*singing\*}]

Hey lady, hey darlin', hey baby

I'm sorry but I can't be your boyfriend

If you toy with my motherfuckin' emotions

I'll kill you

Bitch I'm fuckin'

For real

I'll make you suffer like I suffered

If you fuck me then I'll make you fall in love

{\*in the background of the hook\*}

Hey lady, hey lady

I don't think you really wanna be my girl

(be my girl, be my girl, be my girl)

Fuckin' with me can be dangerous (dangerous,  
dangerous)

You never know what I really (be like, be like)

(be like, be like, I'm the type)

(that might flip and get a little bit crazy)

[Obie Trice]

Baby I'm extra large (huge) in magnitude

And Magnums to lubrication that I use

To chose which hole on a hoe I abuse (yes)

Have 'em confused, can't tell who is who

When I fuck the shit out you, then the next date (bitch)

I rush the shit out you off my two-way (ooh wait)

You wanna cuddle, emotional hustle up on Pocono's

Poke ya nose in and outta Obie's own

No, I'm in and out your home

And this in and out your tone

I ain't the nigga that settles 'em down

Put 'em in nice homes and floss 'em around (nah)

I bounce 'em around

Camcord the sex and sell 'em around town

Now how that sound?

If I was in love witcha, now you wanna clown

Fuck with them clowns until I pound on your crown  
Bust a few rounds and the cops come and get me  
Bad mouth a nigga just to convince a jury  
You don't want it with me, you just horny as me  
You want a nut, nuttin' but what is you be

[Eminem]

I'm internationally known baby but actually  
There are few people who know how I am naturally  
All you know is that I can act irrationally  
When you shove a puppet up in my face on national TV  
So they label me this crazed loony rap bully  
But truthfully that ain't the truth  
And if you believe in that shit  
Then you'll believe anything's true  
And you're too stupid to ever get to know me  
personally  
But personally that actually works for me  
'cause the last thing that I need's a string attached to  
me  
I'm a bachelor bitch and I ain't in no fast fury  
To run out and find a new Mrs. Mathers  
'cause see, technically me and Kim ain't back fully  
But we do still make booty calls occasionally  
But be damned if I end up back in that pattern  
And we end up back at that god damn tavern  
And havin' another dÃfÃ©jÃfÃ vu, we seein' security  
Pass my pussy around like it's Ja Rule's jewelry  
I got news for you bitch, your news curfew's early  
You ain't home by 2:30 {\*gunshot\*}

[Hook - Eminem {\*singing\*}]

Hey lady, hey darlin', hey baby  
I'm sorry but I can't be your boyfriend  
If you toy with my motherfuckin' emotions  
I'll kill you  
Bitch I'm fuckin'  
For real I'll make you suffer like I suffered  
If you fuck me then I'll make you fall in love

{\*in the background of the hook\*}

Hey lady, hey lady  
I don't think you really wanna be my girl  
(be my girl, be my girl, be my girl)  
Fuckin' with me can be dangerous (dangerous,  
dangerous)  
You never know what I really (be like, be like)  
(be like, be like, I'm the type)  
(that might flip and get a little bit crazy)

[Obie Trice]

See you lookin' at the life, you lookin' at the lights  
(lights)  
You lookin' at the ice (ice) you ain't lookin' at the Trice  
(right)  
You should look at some advice when I see he ain't nice  
(nope)  
Despite the fact you think you the feisty type  
O love to fight (uh) I love the drama (yeah)  
Love when my bitch get to cussin' out Yolanda (fuck  
you bitch)  
Find the Obie condom on the counter  
Swingin' her weave, can't breathe like I can't believe  
Least I ain't deceieve and try to mislead  
And sell a dream just to get you on my team  
I came clean to keep down the beef  
Keep down my reach, you can keep all your teeth

[Eminem]

So what we do under the covers should stay between  
the covers  
And the two of us and we ain't gotta be news coverage  
On the front page cover of "Buzz's New Lovers"  
And this is when the bitch get to showin' the true colors  
'cause the truth of it, everything that I do's public  
And you'd love it if you could run and tell all your  
friends  
Guess who you just screwed, assume just me and  
you've done it  
And save da used rubber to show 'em the proof of it  
But I guess it's do unto others as you'd have 'em do  
unto you  
But you better be careful of who you're doin' it to  
'cause you never know when the shoe  
Could end up on the other foot and it backfires on you  
'cause you think you want it then you want me, then you  
get me  
Then you got me and you're fucked, 'cause you'll be  
stuck with me  
For the rest of your life 'cause if I get attached to you  
We'll be joined at the hip, I'll be so latched to you  
You'll be walkin' out the house and I'll run up and tackle  
you  
Chain your ass up to the bed and shackle you  
You don't think you're leavin' this house in that, do you?  
Not till I brand my name in your ass and tattoo you  
And have you walkin' out this bitch in turtleneck  
sweaters  
Scarves and full leathers in 90 degree weather  
Front on me? Never  
'cause we gonna be together forever  
Right bitch? {\*gun cock\*}

Right bitch? {\*gun cock, shot\*}

[Hook - Eminem {\*singing\*}]
