Obie Trice, All I Need Is 1440 Minutes With You Baby
... Skonie Come On

Tell Me What You Want, You Can Have It Baby
It Don't Matter What It Is Girl, You Can Have Your Way
And I Don't Care Bout Money, I Spend It Anyway
Just Imagine What I'd Do For You
Just Spend The Day With Me, Whoa
Spend The Way With Me, Whoa
Just Spend The Day With Me

What The Problem Is, Ain't It Obvious?
Got A Thing For You, We Need To Handle Bizz
Take You To The Crib, Play With Your Esophagus
Get Your Nose Naughty, Eyes ...
I Just Wanna Party With You, Got In The Party Bus
We Doing 1800 Shots, All Of Us
You Bring The Honeys I Can Bring Hustlers
And We Can Muster Up Conversation To Discuss
And I'ma Put It In Your Brain, Like You Reading ...
Jumping Off From Skyscraper, You Ain't Die In Vain
You Came To ... My Lil Mama, Miss Do Anythang
No Drama, Run To You Stockers... no Come Up
When We Encounter, You Appreciate Kitchen Counters
Plus I Need These 24 Hours, Watch How We Say It That
The World's Ours

Tell Me What You Want, You Can Have It Baby
It Don't Matter What It Is Girl, You Can Have Your Way
And I Don't Care Bout Money, I Spend It Anyway
Just Imagine What I'd Do For You
Just Spend The Day With Me, Whoa
Spend The Way With Me, Whoa
Just Spend The Day With Me

Say She Love My Aura, How My Hustle Won't Fall
Way I Heard Them With The... Just Call Me Amber Rose
No Pimples, No... No Pro Active,
Note The Girl's Hot... Whenever That The Girl's...
Make Sure That It's Red, Cause I ...
My Bottom Broad, You Can Catch Us At The Bar
No Times On The Bottle, Exactly How The Models Are

You Know I Put Your Ass Together Like A Model Car
Now Your Head's Getting Big, A Few Followers
On Twitter With Venus And Serena... whenever He's
Between Them
...We Can Get It In Till Ante-meridian
Wake Up All Over Then We Do It Again

Tell Me What You Want, You Can Have It Baby
It Don't Matter What It Is Girl, You Can Have Your Way
And I Don't Care Bout Money, I Spend It Anyway
Just Imagine What I'd Do For You
Just Spend The Day With Me, Whoa
Spend The Way With Me, Whoa
Just Spend The Day With Me.
