Whoo Kid  
Yea, I'm here, Obie Trice  
Keep me in your prayers I ain't going nowhere  
That's right  
I'm a hustler till I'm tucked up in a coffin  
To these n-ggas offer what you got  
(Keep me baby)  
When a dream ain't poppin u dont see a n-gga  
often  
Obie off the scene motha f-ckin sky  
(Keep me baby)  
I swear I'm here I'm so sincere  
(Love me baby)

Nobody quite do it like Trice do  
I'm like Mike when it comes to this music  
or Kobe strove to the hole, can't hold me  
[Sto goalie, I is good, I is good]  
[Even a snottie knows sno n-gga]  
I rised out of my hood  
[The odds should have compromised the sliper]  
[Ah sh-t, the complo mist of Mike]  
which means this content is tight  
which means the conscience to anything you write  
you gotta  
(Keep me baby)  
I swear I'm here I'm so sincere  
(Love me baby)

From the bottoms up, he ain't an item what ?  
whoever you idealizing I don't give a f-ck  
cause whoever you idealizing, admiring  
That n-gga that's layin in the cut  
Waiting on his turn to burn it up  
And when it's his turn and can't touch it  
A n-gga that earned  
The one that put your favorite MC in the earn  
[Talking out of tourney burn]  
And I ain't talking about new n-ggas that got to live and  
learn  
[When I return it's de-tray furn so]  
(Keep me baby)

I swear I'm here I'm so sincere  
(Love me baby)

I'm a hustler till I'm tucked up in a coffin  
To these n-ggas offer what you got  
(Keep me baby)  
When a dream ain't poppin u dont see a n-gga  
often  
Obie off the scene motha f-ckin sky  
(Keep me baby)  
I swear I'm here I'm so sincere  
(Love me baby)
