D'ms jumping in the rave,
Goose in ma veins,
White boy wasted,
Said he likes the taste of my lips,
Drawn to ma hips,
Dancing like a skanktonic,
Bitches watching,
Why you at a dance floor,
If your not aquated with the dance floor?
No-one likes a boring bitch.

"oh my god you spilt drink in my hair you bitch,
It's gona frizz,
My fake tan is gona run and shit,
Don't you care whos watching her?
She looks fucking crazy,
She should be here sitting down and acting like a lady,
Acting like a lady,
Acting like a lady"

Everybody point em out,
Boring bitches north, west, east to the fucking south,
Maybe you'll be dancing now!

Hands up,
Riding on a wave,
Feeling kinda brave,
That dutch courage shit,
Said he'd like to see where I live, mtv cribs, red light
district,
Fuck it bring a camera crew,
We can shoot a vid or two,
And you can bring your friends with you,
But no boring bitches dude (gag) fucking shit.

"I don't like that bitch,
She thinks that she's too nice,
She's been chattin bare man,
I've stood and watched her all night,
Don't you care whos watching her?
She looks fucking crazy,

She should be here sitting down and acting like a lady,
Acting like a lady,
Acting like a lady! "

Everybody point em out,
Boring bitches north, west, east to the fucking south,
Maybe you'll be dancing now'
Maybe you'll be dancing now...
