I'm not a fan of puppeteers,
but I've/I have a nagging fear
someone else is pulling at the strings

Something terrible is going down
through the entire town
wreaking anarchy and all it brings

[Chorus]
I can't sit idly
no I can't move at all
I curse the name
the one behind it all

Discord, I'm howling at the moon,
And sleeping in the middle
of a summer afternoon

Discord, whatever did we do
to make you take our world away?

Discord, are we your prey alone
or are we just a stepping stone
for taking back the throne

Discord, we won't take it any more,
so take your tyranny away!

(Disco-o-oo-o-oo-ooo-oo-rd)

I'm fine with changing status quo
but not in letting go
now the world is getting torn apart

A terrible catastrophe
played by a symphony
what a terrifying work of art

[Chorus]
I can't sit idly
no I can't move at all
I curse the name

the one behind it all

Discord, I'm howling at the moon,
And sleeping in the middle
of a summer afternoon

Discord, whatever did we do
to make you take our world away?

Discord, are we your prey alone
or are we just a stepping stone
for taking back the throne

Discord, we won't take it any more,
so take your tyranny away!

(Disco-o-oo-o-oo-ooo-oo-rd)

Discord, I'm howling at the moon,
And sleeping in the middle
of a summer afternoon

Discord, whatever did we do
to make you take our world away?

Discord, are we your prey alone
or are we just a stepping stone
for taking back the throne

Discord, we won't take it any more,
so take your tyranny away!
