### Verse

It's a new year homie make way  
For that underground talent that's been sitting  
underway  
Yes I been waiting patiently  
Now its time to do my thing,  
For my niggas I thought was real turned out they was  
fake.  
Some of these bitch's fake too  
All they do is say I'm cute,  
And when it come to telling the truth  
They just give a nigga the boot,  
But fuck it man I don't need them long as I got all this  
loot,  
And spending it on myself can't nobody tell me what to  
do.  
Not even my fucking pops, cause that dude wasn't  
there,  
Only person I listen to is my mama because she care,  
She give me plenty advice about these lessons of life,  
I swear I'm tryna live rite so fuck these stereotypes.  
They can judge me all they want but opinion don't  
mean nothing  
You talking all of that shit well mothafucka do  
something,  
I be ridin music bumping with my hat to the back  
I do that shit cause I'm black hell yea that's a fact.  
Hatters tryna shut me down cause I'm rising to the top  
I'm hot as a lava rock so that means I'm bout to pop,  
Melt you're girl out her socks when she let me hit that  
spot,  
You trying to cock block but I got that shit on lock.  
I know you thinking who I am (who, who) who Evalass  
I'm fresh outta Dayton Ohio put my city on the map  
I be flowing on these tracks you don't even gotta ask,  
Then I get to the money that's my number one task.  
Now you can catch me in the club (pour) pouring it up,  
Getting twerked on by a girl with a big ol butt,  
And she spanish she looking fly so I'm tryna fuck,  
But no I'm not tryna cuff sorry your outta luck.  
This is what I do on a daily, my ex girl can't stand me,

She jealous when she see me out attracting all of these ladies.

Ha that shit is crazy but you can't even blame me,  
I'm the flyest nigga you seen born out the eighties.  
I'm just doing me (killing) killing all these beats,  
Got my own recipe so they can ride to it in the streets.  
(I) I do it so well other local rapper's fail,  
Now watch me make my mark in the game two thousand twelve.

Chorus [x2]

It's a new year (new year)  
I'm hear (I'm hear)  
New year (new year)  
I'm hear (I'm hear)

New year (new year)  
I'm hear (I'm hear)  
New year (new year)  
I'm hear (I'm hear)
