I'm in love with a girl
Through the eyes of a girl
Still around the morning after

We broke up a month ago
And I grew up
I didn't know
I'd be around the morning after

It's always been wait and see
A happy day
Then you pay
Feel like shit the morning after

But now I feel changed around
And instead of falling down
I'm standing up the morning after

Situations get fucked up
And turned around sooner or later

And I could be another fool
Or an exception to the rule
You tell me
The morning after

Crooked spin can't come to rest
I'm damaged bad, at best
She decides what she wants

I'll probably be the last to know
No one says until it shows
See how it is
They want you or they don't
Say yes

And I'm in love with the world
Through the eyes of a girl
Who's still around the morning after
