what do you want from me?
what do you want from me?
you know I can't read
you know I don't write
you know I don't dance
you know I won't fight
so what do you want from me?

what can I do for you?
what can I, do for you?
shine your shoes
wash your toes
wipe your mouth
blow your nose
what can I do for you?

I'm addicted to that cold look in your eyes
it makes me crazy
I bite my tongue and lick my lips
vampire woman back from the dead to terrorize
she'll suck my blood, but not my heart.

what do you really need?
what do you really need?
castle in the hills
mansion on the beach
cottage in the woods
or a penthouse in the city

shiny big car
ocean liner yacht
private jet plane
or a good long drive
what do you really need?

I could never hurt you
but that's not what you want
I could never hit you
but that's not what you want
I could never hurt you
but that's not what you want
I could never hit you

guess I'm not what you want
