(cough cough) yeah...  
(cough cough) so...  
(cough cough) um...  
(cough cough) ..wait a second...  
(cough cough) Yeah!  
(cough cough) So!  
(cough cough) Um!  
(cough cough) Wait a second!

Sold your liver but you still feel in the red.  
Sold my feelings now I'm hanging by a thread.

Bad! and it's creeping it's way through my  
windows, and it's slithering under my door!  
And it's in my peripheral vision, and it's boring up  
under my floor!  
It's whispering into my eardrums, and it's telling me  
that I want more, more!

But I'm coming alive!  
I'm happening now!

And that Eureka moment hits you like a cop car!  
And you wake up just head and shoulders in a glass  
jar!  
Oh! You clear your throat and raise your eyebrow but  
you don't say  
Oh! There's something wrong but it's ok if we're still  
getting paid

Yeah you're ravenous, you're champing at the bit.  
Just a cog next to a cog next to a pit.  
I would burn to break away and waste my years;  
No more ladder no more solace in arrears

Bad! and it's creeping it's way through my  
windows, and it's slithering under my door!  
And it's in my peripheral vision, and it's boring up  
under my floor!  
It's whispering into my eardrums, and it's telling me  
that I want more, more!

But I'm coming alive!  
I'm happening now!

And that Eureka moment hits you like a cop car!  
And you wake up just head and shoulders in a glass jar!  
Oh! You clear your throat and raise your eyebrow but you don't say  
Oh! There's something wrong but it's ok if we're still getting paid

But I'm coming alive!
