Don't try to hide it, no
Don't try
Don't try to hide it, no
Don't try
Cos it'll have you in the end, ohhhh
Cos it'll have you in the end, ohhhh

Is it gonna take a battle of wits
Well I can take a body, I can take a body blow
Pick you head up
Show your teeth to them honey
We can take it slowly, we can take it really slow

Cos everybody says you never speak up
And never take a moment, never take a moment's
rest
I see you skulking on the basketball court
And I wanna be the perfect, the p-p-p-p-perfect test

Don't try to hide it, no
Don't try
Don't try to hide it, no
Don't try
Cos it'll have you in the end, ohhhh
Cos it'll have you in the end, ohhhh

I know you're waiting for a miracle call but
I can disappoint you, I can disappoint you now
You shut the door and get your hibernate on
It's never gonna leave you if you never talk it out

I know you think you're in a bottomless pit, hell
I'll be at the bottom, waiting with my shivers and
shakes
The girls are reaching up to meet you, just let
[Incomprehensible]

Don't try to hide it, no
Don't try
Don't try to hide it, no
Don't try

Cos itâ€™ll have you in the end, ohhhh
Cos itâ€™ll have you in the end, ohhhh

Donâ€™t try to hide it, no
Donâ€™t try
Donâ€™t try to hide it, no
Donâ€™t try
Cos itâ€™ll have you in the end, ohhhh
Cos itâ€™ll have you in the end, ohhhh

Donâ€™t try to hide it

Ahhhhhh
