English Translation:

Baby Itâ€™s so deep. Baby Itâ€™s so deep
So I Canâ€™t control this, I Canâ€™t control this

Your sweet words tell me to come out because
youâ€™re bored by yourself
But I know â€” you said you want to just hug me and
ask if we could be together just for today
I know this is booty call â€” you miss me only when
itâ€™s past midnight
You melt me with those words and once again, I take
this call

Every time I Feel your love and kiss oh baby
I tell myself that this is the last time but itâ€™s not that
easy
Every time, I go to you, as I always did
My heart keeps growing weak at your phone calls.

The days we spent together, the days we leaned on
each other and smiled
I forgot it all, I erased it all
Our days of the past â€” Iâ€™m such a fool
Just hold me tight baby just hold me tight

Stop â€” the phone rings and a familiar voice is heard
I frown in my sleep and get up and sigh again

At this time, I should always be cinderella
Somethingâ€™s gonna happen because of the lost
glass slipper
Our relationship is like a steep staircase
So, I donâ€™t know how to get down

Every time I Feel your love and kiss oh baby
(Youâ€™re still okay, Iâ€™m not even sad anymore)
Every time, I go to you, as I always did
(Itâ€™s been a while since I threw away our love of the
past)

The days we spent together, the days we leaned on
each other and smiled

I forgot it all, I erased it all
Our days of the past " I'm such a fool
Just hold me tight baby just hold me tight

Baby, I keep thinking about my turned-off phone
I get nervous in case you will call again
I don't want this to end, I hope this night lasts
forever
I pray, I hope this long phone call will last forever

Baby It's so deep Baby It's so deep
So I Can't control this, I Can't control this
Baby It's so deep Baby It's so deep
So I Can't control this, I Can't control this

The days we spent together, the days we leaned on
each other and smiled
I forgot it all, I erased it all
Our days of the past " I'm such a fool
Just hold me tight baby just hold me tight

The days we spent together (The days we spent
together so far)
The days we leaned on each other and smiled (I need
to end this long phone call now)
Our days of the past (The long time of our days of the
past)
I forgot it all, I erased it all
