Beat it get it
I'm so high it's just us
I i i feel
Now i feel good, i feel good
Today won't come again baby
Feel good with me right now
You can't if it isn't right now " i feel good
(hey everybody)
Hey everybody (x2)

Tonight it's a party night, dance with me
A-ha a-ha oh a-ha a-ha
Wait a minute
All night na na na na na(na na na na na)
Never stop the music " let's go till the end today
Please don't stop the music " up high to the sky
Put your hands up and grab onto the end of the night
Oh let me go

Now i feel good, i feel good
Today won't come again baby
Feel good with me right now
You can't if it isn't right now
I feel good good good tonight

Na na na na na na
Na na na na na na na na (x2)

One more time, i feel good

Underneath the flashy lights, you and i will become one
tonight
Close your eyes and dance
Now i feel good

It's a dark night so let's light up this night
brightly
Um uh uh, hold on
You know i like the way you move slow down
Na na na na na na don't stop, please don't stop
Get high like you're crazy
Like you lost your mind in this heat

Never stop the good night until the sun rises
Please don't stop the good night " up high to the
sky
Put your hands up and trust your body to this music
Oh let me go

Now i feel good, i feel good
Today won't come again baby
Feel good with me right now
You can't if it isn't right now
I feel good (hey everybody)
Hey everybody
