Yes, I will let you go
I'll pray that you'll last longer with her, I'll pray
I'll forget, forget everything related to you
So that I won't ever cry again
You treated me pretty well all this time
So don't think that you should be sorry
Don't think that you dumped me
I won't ever tell anyone that you were once my man
I will ignore even our habits

Whoz that girl tell me Whoz that girl
Whoz that girl tell me Whoz that girl
I'll wait and see how great of a girl you met
Whoz that girl tell me Whoz that girl
How pretty she is that you left me
Who u u u u u Whoz that girl

Yeah Leggo "the novel called you is no fun anymore
Because it's full of only lies" stories that draw
eyes,
She'll be interested in them too "why do you
expect me to cry?
(No) I neva act likt that I ain no holla back girl
but tell me Whoz that girl
Don't easily speak of me to others
Don't even say how I was
Just talk about the foolish girl who is by your side right
now
I will ignore everything

Whoz that girl tell me Whoz that girl
Whoz that girl tell me Whoz that girl
I'll wait and see how great of a girl you met
Whoz that girl tell me Whoz that girl
How pretty she is that you left me
Who u u u u u Whoz that girl

I didn't know the thin ice of your love and took a
step
I won't speak of your easy habits
So show her to me, surprise me

Show me how great she is " just show me that is all I
need
Yes, I will let you go, I'm out Out of ur love baby just
go get ur girl
I'll pray that you'll last longer with her
I'm out out of ur love go go get ur girl

Whoz that girl tell me whoz that girl
Tell me who it is
I'll wait and see how great of a girl you met
Whoz that girl tell me Whoz that girl
How pretty she is that you left me
Who u u u u u Whoz that girl
