With the dying
Rot in hell religious one
[Cold fate] the chosen son
Find the darkness kill the day
You said you'd never cease saying
We're the cause of death
Find the one kill the need
You're the one to make him bleed
Find the darkness little one

..

We're the cause of death
Rot in hell religious one
[Cold fate] the chosen son
Find the darkness kill the day
You said you'd never cease saying
With the darkness we arise
Your hell is denied
The powers below
Reality's here
With the darkness we arise
Your hell is denied
The powers below
Reality's here
