Final Thoughts

Sigh on to you just lost the blow
Sigh on to you
Sigh on to you My friend
Fell thoughts of soul's descend

Final Thoughts

Sigh on to you My friend
Might be is this the end
The pain hurts the fear inside
Kill be the weak to ride

Countdown to fossil down
Show Me the cancerous meltdown
???, the architects of life
???

Final Thoughts

Sigh on to you My friend
Might be is this the end
Sigh on to you
Sigh on to you

Final Thoughts
