I will in time
Adopt what fills my mind
I kill, I maim
The quest for life is mine

I will see you on my lawn
I will eat you in the dawn

I will in time
Adopt what fills my mind
I kill, I maim
The quest for life is mine

I will see you on my lawn
I will eat you in the dawn

Evil says that fills the mind
For 10 cents i'll kill again

The quest for life is mine
With science of the time
The quest for life is mine
The forces realign

(solo)

Kill, why me
Violence the holy grounds
I'll try to cross the god ridden sky

(solo)

I kill, why me
Violence the holy grounds
I'll try to cross the god ridden sky

(solo)

I Kill!

(solo)

I kill, why me
The forces realign
